About Cache Humane Society

The Cache Humane Society was formed to benefit the pets and people of Cache Valley. Our goal: That **all of the pets of Cache Valley have good homes**. We work toward this goal in several ways, including: Offering adoption services for homeless pets Providing humane care and housing for homeless pets in the Cache Humane Society Shelter. Providing a central animal impound facility and up-to-date online database of impounded animals for Cache Valley, increasing the probability that impounded animals will be returned home organizing a network of volunteer foster homes for homeless pets working on the root cause of overpopulation by encouraging the spaying/neutering of pets through education and subsidization programs.
