

COME PARTY WITH US!!!

Your child and party guest will enjoy playing animal related games, providing a service for the shelter animals, touring the shelter and interacting with shelter animals (*see party outline below*)! In addition to the fun, your child will be giving other children the opportunity to be a part of helping homeless pets. Some parties involve the other children in a donation drive leading up to the party. Some children may even ask for their guests to bring a donation rather than a present for themselves (*see our wish list [here](#)*). Kids love bringing presents for the shelter animals!

Parties at Cache Humane Society (*CHS*) are held in our Education building or the small dog park (*both*) just east of the shelter. For ages 6-15 with guest limit of 12 youth (*parent of birthday child must be present*). We simply cannot accommodate more with our limited space.

***Please bring your own decorations, presents, food, cake, paper products/utensils, drinks and anything else that will make your child's special day even more memorable.
