**Areas of Interest**

- Dog Spot:** Help with feeding time, kennel cleaning, and canine training and socialization.
- Kitty Cabana:** Help with cat socialization, grooming, and light cleaning.
- Clinic:** Requires previous clinical experience or course work in clinical services. Assist with health checks, vaccination, and treatment.
- Front Desk:** Answer phone calls, direct visitors, and assist with paperwork and filing.
- Education Programs:** Work with our Education Coordinator to offer educational activities through our Youth Afterschool Club and Summer Camps.
- Valley View Dog Park:** Assist with grounds keeping and public outreach for the Valley View Dog Park.

We encourage volunteers to commit to a set, weekly 2-hour shift in the above departments. Not available for weekly volunteer shifts? Consider our other options:

- Please check if you are interested in helping us with **fundraising, adoption events, and community outreach**.
- Please check if you are interested in being **foster caregiver for CHS**

What particular skills and interests can you bring to Cache Humane Society that will help us find your best fit?
